

2021 - 2022 Membership Dues

July 2021

Dear Temple Beth-El Family:

I hope this letter finds you and your loved ones safe and healthy. It has been 16 months since Temple Beth-El had to shutter its doors in order to help our community contain the spread of Covid-19. Many of us have experienced anxiety, fear, loneliness and isolation as a consequence of this pandemic. Connecting with others, which is such a basic human need, has been challenging. We have all done a great job adapting and finding new ways to connect with friends and family.

The good news: Temple Beth-El will start to resume in-person religious services this month. Our Re-Opening Committee has been working diligently to create guidelines for re-opening, keeping the health and safety of our congregants at the forefront of all decisions. In the meantime, Temple Beth-El continues to provide the support and services that our community needs and deserves. We are also very happy to announce that the Temple office will reopen with regular hours beginning Tuesday, July 6, 2021.

Over this year we have established a new normal as we continued our religious traditions of morning minyan, holiday services and Shabbat services virtually, while creating a supportive space to connect and pray together.

Our Education department launched a successful year of youth education programs – Ivrit, Religious School, and Geshet on a virtual platform.

We are currently in the process of planning both in-person and virtual High Holiday Services. Steps are currently being taken to hire an interim rabbi and also to assure we have the proper coverage for the High Holidays and all your life cycle needs.

There is a Jewish proverb that says, “A little bit of light pushes away a lot of darkness.” Our congregation has shown that there is light during these troubling times. We stand resilient, strong, and determined to rise above the challenges of the last 16 months. In order to support our collective mission of enabling Temple Beth-El to be a vehicle for creating the light through the darkness, your continued commitment and membership to Temple Beth-El is paramount. Please note that there is small, approximate 2.5% increase in our dues this year.

We understand that some people are experiencing financial challenges during these times; so we are asking those who are blessed with the ability to give a bit more to please join our Mitzvah Circle. Joining our Mitzvah Circle will allow struggling individuals and families to continue their membership.

PLEASE CONSIDER THE MITZVAH CIRCLE

Mitzvah Circle members voluntarily add a 30% premium to their base dues. Your generosity in subscribing at this level helps us assist those unable to afford TBE's regular membership rates.

As in the past, we offer two discount options. (See table on reverse side for details.)

The enclosed statement was prepared by our Director of Operations & Programs, Susan Canning, and is based on actual dollar amounts established for your particular dues category, as well as school fees for members with school-age children. We offer monthly or quarterly payment options, and automatic payment via credit card if needed. Please [contact Susan](#) to arrange a payment plan or with any questions.

Thank you for your support of Temple Beth-El and your prompt response to this notice
